When I first began playing soccer as a founder member of Park United AFC back in 1975, I do not think that I ever imagined that 21 years on, I would still be playing first team football with the Club or indeed that I would be privileged enough to be elected Chairman in this the most important season in our short but proud history. I think that it is important to mention at this juncture that when our first committee was formed in 1975 they had absolutely nothing to call their own and as the seasons went by incoming committees had more and more foundations which to build the future growth of our Club, and each and every person who has touched Park United over the last 21 years should be justifiably proud of their contributions which has culminated in what we see here

facilities which they always placed at our disposal down through the years.

It is safe to say that without our Club "Lotto" Draw we would not be here today to celebrate our official opening as a fitting finale to our 21st Anniversary celebrations. To this end I must offer our most sincere gratitude to our dedicated group of people who perform the essential day to day functions of our "Lotto" thus ensuring the smooth operation of our greatest fundraising project. We are also most grateful to our loyal band of "Lotto" ticket sellers who week in and week out graft away for the cause of Park United. To the general public of Mitchelstown and adjoining areas we thank you for your

today. It must be said that during our 21 years in football we owe a lot of gratitude to the officers of the various Leagues in which we participate for all their help and encouragement. To our employers, wives and girlfriends for the understanding shown for the long absences from the family home and workplace.

At this juncture I wish to place on record our sincere thanks to all our voluntary helpers, our contractors and suppliers, all who have played their part in the development of our grounds and dressing room complex. Sincere thanks also to Mitchelstown Community Council, the VEC and Michael Finn for the kind use of their

continued support which is gratefully received and acknowledged. We hope that our facilities on view here today is proof that all your efforts and generosity is being put to good use indeed. In conclusion I would like to thank both Cobh Ramblers and Shelbourne for honouring us with their presence here today and to all the Junior clubs who have helped to make this our 21st Anniversary celebration such a memorable one.

## A BRIEF HISTORY ....

In the summer of 1975 a group of people came together and decided to form a soccer club and enter their team into the Cork Athletic Union Football League, after years of playing local street leagues in Captain O'Sullivan's field situated between Peter O'Neill Crowley Terrace and Liam Lynch Park. Thanks to the efforts of Michael O'Brien and the generosity of Mitchelstown Creameries a playing pitch was acquired on the Limerick Road (New Grain Store). They now had a pitch to call home and up to their new League standard the next decision was what to call their new Club. After much discussion the name Park United was decided upon, the name of course being derived from Liam Lynch Park in whose area they originally played.

On the 15/8/75 which turned out to be a wet and windy day a bus load of enthusiastic players and supporters arrived in Tallow where Park United were to make their debut against Bride View United. Park went about their business early and went 2 up against 9

Bride View players through goals from Billy Crowley (first ever Park United goal) and Denis Murphy. A full strength Bride View team came storming back and went 3-2 up. A Timmy Crowley equaliser levelled the match which finished at 3 all. Park United were on their way.

### **The original team was as follows:**

Paddy Lane; Paddy Moloney, Michael Barrett, Gerry Aherne, Johnny Crowley; Billy Cahill, Denis Murphy, Billy Crowley; Richard Cahill, Willie Casey, Timmy Crowley; Patsy Burke (12th man); Michael O'Brien (Reserve who travelled).

### **Original Selectors were:**

Michael Aherne, Michael Brazil  
and Michael Walsh.

### **Original Club Committee:**

G. Donegan, Chairman  
P. Cotter, Vice-Chairman  
M. Brazil, Hon. Secretary  
T. O'Gorman, Hon. Treasurer  
Committee: T. O'Keeffe, L. Colman,  
B. Cahill, D. Cahill and B. Murphy.

Since their formation the Club has gone from strength to strength and currently boast 2 Junior, 1 Youth and 3 Schoolboy teams at competitive level. Park have enjoyed large success on the field since that day back in the Autumn of 1975 - major successes include:

### **1980/81**

Runner-Up Cork AUL  
League Championship Division 3

### **1982/83**

Winners Cork AUL League Championship  
Division 2A

**1986/87**

Winners Cork AUL  
Second Division League Cup

**1987/88**

Winners Cork AUL Presidents Cup

**1988/89**

Runners-Up Cork AUL Saxone Cup

**1989/90**

Winners Cork AUL League Championship  
Division 2A

**1992/93**

Winners Cork AUL League  
championship Division 1A

**1993/94**

Winners Cork AUL League  
Championship Division 3A  
(Won by Second Junior Team Park Albion)

**1993/94**

Winners Cork AUL Coca Cola Youths Cup

As impressive as their trophy haul is Park's achievements off the pitch since their formation has even been more impressive - having purchased land here in Brigown for a

sum of £15,000 in 1985. They have proceeded to develop the green field site by completely levelling, draining and re-seeding what is now 2 full size playing pitches. In addition they also erected a 10ft high front boundary wall and large entrance gates complete with Club name and Crest. Before they put the icing on the cake with the building of this fine dressing room complex comprising of Lobby, Reception Room, 4 Dressing Rooms, 2 Store Rooms, Committee Rooms, Shower Blocks and Toilet facilities. This work was supervised by Gary Cotter a great clubman over the years who with current Chairman and Hon. Secretary Michael Whelan and Conor O'Keeffe respectively are spearheading the on going development of this most progressive North Cork Club.

To date Park United have poured just over £130,000 into this Brigown development without any Grant Aid from the State Lotto or Sport Agencies. This wonderful facility which will be of immense benefit to the entire community in the future, is indeed a fitting testimony to the many, many members and supporters mighty efforts for the cause of Park United right throughout 21 glorious years in football.
